<input type="checkbox"/> + <input type="checkbox"/> -	1	2016-03-24	Juan Bishop	Email	Yes	Notification package sent to Community A to initiate consultation.	N/A	N/A	Notification Package successfully sent (refer to document titled Verification of Delivery of Information Package - Community A)
<input type="checkbox"/> + <input type="checkbox"/> -	2	2016-03-25	Juan Bishop	Email	Yes	Mr. Bishop emailed Renzy McNeil of CanaCon acknowledging receipt of Notification Package. Mr. Bishop indicated that he would provide feedback regarding any concerns in the coming days. Renzy replied to email to acknowledge Mr. Bishops email.	N/A	N/A	Confirmation that Mr. Bishop is in possession of Notification Package (Mr. Bishop's email is located on page 2 of supporting documents).
<input type="checkbox"/> + <input type="checkbox"/> -	3	2016-03-25	Juan Bishop	Email	Yes	Renzy McNeil of CanaCon replied to Mr. Bishop's acknowledgment of receipt of Notification Package.	N/A	N/A	Renzy McNeil to await feedback from Juan (Renzy's email is located on page 3 of supporting documents).
<input type="checkbox"/> + <input type="checkbox"/> -	4	2016-04-01	Juan Bishop	Email	Yes	Renzy McNeil of CanaCon sent first follow-up to Community A requesting feedback regarding proposed project as no response providing feedback has been received to date.	N/A	N/A	First follow-up successfully sent (refer to page 4 of supporting documents for follow-up and proof of delivery).
<input type="checkbox"/> + <input type="checkbox"/> -	5	2016-04-08	Juan Bishop	Email	Yes	Renzy McNeil of CanaCon sent second follow-up to Community A requesting feedback regarding proposed project as no response providing feedback has been received to date.	N/A	N/A	Second follow-up successfully sent (refer to page 5 of supporting documents for follow-up and proof of delivery).
<input type="checkbox"/> + <input type="checkbox"/> -	6	2016-04-11	Juan Bishop	Email	Yes	Juan Bishop of Community A responded to Follow-up #2 and requested a site-visit.	N/A	N/A	Site-visit requested by Community A for April 12, 2015 (refer to page 6 of supporting documents). CanaCon Responded (refer to next log entry)
<input type="checkbox"/> + <input type="checkbox"/> -	7	2016-04-11	Juan Bishop	Email	Yes	Muhammad Alshukri of CanaCon responded to Juan Bishop to say that a site-visit on April 12 is acceptable.	N/A	N/A	Muhammad Alshukri stated that a site-visit for April 12 is acceptable (refer to page 7 of supporting documents). Community A responded (refer to next log entry)

+ -	8	2016-04-11	Juan Bishop	Phone Call	Yes	Juan Bishop called Muhammad Alshukri to confirm site visit and to provide names of those individuals that will accompany him.	N/A	N/A	Site visit for April 12 confirmed. Juan Bishop to be accompanied by community Elder, Ray Donaldson (refer to page 8 of supporting documents)
+ -	9	2016-04-11	Juan Bishop	Email	Yes	Juan Bishop sent invoice for site-visit.	N/A	N/A	Site visit to occur tomorrow. Invoice to be processed (refer to page 9 of supporting documents)
+ -	10	2016-04-12	Juan Bishop, Ray Donaldson	Site visit	Yes	Scheduled site-visit took place.	Ray Donaldson noted that it is imperative that CanaCon staff be reminded that the feeding of any wildlife is strictly prohibited. Ray also indicated that Community A should be contacted anytime animals that are perceived as dangerous are spotted near the project.	CanaCon already has in place a strict policy prohibiting staff from feeding wildlife. Muhammad indicated that this would be reiterated to all staff. Muhammad said that there is a process already in place for how dangerous wildlife is handled, but indicated that Safety Advisors would contact Community A in future instances.	Mr. Donaldson and Mr. Bishop both acknowledged that the measures brought forward by CanaCon regarding wildlife safety are sufficient and that they had no other project related concerns. Muhammad indicated that if no other concerns were raised in the next couple of days, the ROC Log would be sent for review.
+ -	11	2016-04-15	Juan Bishop	Email	Yes	Renzy McNeil of CanaCon emailed Mr. Bishop and notified him that Community A has 5 GoA working days to review the ROC Log	N/A	N/A	ROC Log sent to Community A for review (refer to page 10 of supporting documents)
+ -	12	2016-04-18	Juan Bishop	Email	Yes	Juan Bishop sent email with a Letter of No Concern attached.	N/A	N/A	Community A confirms they have no outstanding concerns (refer to Page 11 of supporting documents). Consultation complete. (final entry)
